God saw fit to put two completely different people in the exact same place at the exact same time knowing they would bond and make a life long friendship!

I will always cherish all the moments I had with Ginny and her beautiful daughter Jennifer from the most amazing experience of seeing the Rockets 75th Christmas spectacular, house sitting and caring for her beloved goldens (Tux was an amazing Dog always greeting us with huge hug),

to all our WW meetings and gatherings, sharing yummy "light" recipes with each other and somehow even mucking stalls was a great adventure with Ginny! I could go on and on. I love her and always will and so thankful our paths crossed!
